

Pediatric Doctor

Pour un Sourire d'Enfant (PSE) - For a Child's Smile is a non-profit organization founded by Christian and Marie-France des Pallières, operating in Cambodia since 1995. Its mission is to help children escape from destitution and lead them to decent, skilled and well-paid jobs.

Recognized by the local authorities, PSE is working in respect of the country with the Cambodians and thus supports sustainable development.

Six main programs – adapted to the needs of the children – have been developed: food, health, protection, education & schooling, vocational training and help for families.

PSE helps more than 6,500 children and more than 6,000 graduates from PSE Vocational Training program graduates have already successfully integrated the job market with a real qualified position. PSE employs more than 650 people in Cambodia (Phnom Penh mainly) and 6 staff at the headquarters in France. 400 volunteers in different countries are actively working on making the organization known through fundraising donations and sponsorships.

In 2000, PSE received the French Human Rights Prize from the French Republic.
